

From the BEGA Secretary/Treasurer - Stephen Ellzey:

We had a great first year for the Best Ever Golf Association. We had 4 weekly leagues that played during the year.

Monday League (President Dave Hall)

Tuesday League (President Harry Wiley)

Wednesday League (Larry Bryan)

Saturday League (President Stephen Ellzey)

Please thank these members for providing their time so the membership could play and have fun and fellowship at different times during the week.

Also, the leagues provided their League Champions that participated in the League Playoff that was played at the Decatur Country Club this year.

Mr. Larry Bryan is the BEGA League Champion for 2014-2015.

Tournaments were held during the year with the Pumpkin Ball tournament being a great hit. Lots of comments were made that playing the pumpkin ball was a little nerve racking for players - and being really nervous to hit it.

The Travel'N League held tournaments at Tunica, MS and at Perdido Bay, FL. approximately 80 and 100 members respectively participated in the tournaments.

The year is almost at a close and I am closing out the books on this year. For 2014 we had 200+ members that joined. The Board of Directors and Officers are working on the Budget for 2015, a schedule of the Tournaments, when/where the weekly leagues will play, and the election committee for 2015. The Board meeting will take place in late January, with information coming out in February as to their decisions.

We started this year soliciting for new members before the end of the year for 2015. We have 80+ already signed up for 2015.

Please provide your Membership form and dues as soon as you

can.

For those members that use the BEGA Handicap System, that have not provided their membership dues by January 4, 2015, you will not be able to enter your scores into the data base. This is like the GHIN system which requires members to pay by December 31st to continue their ability to enter scores.

This next year (2015) is the last year we will be collecting membership forms. I am entering the data in to the BEGA handicap system and the database for our accounting system. If during the year or in the future, any of your data changes please provide that data to me so I can update. (Mailing address, phone numbers, etc.) This is very important, so you get your winnings check in a timely manner. I will remind the membership during the year of this requirement.

Our Membership form, BEGA Bylaws and other BEGA information are on our Web page at the following location:

<http://boeinggolf.org/>

Please review and provide any feedback.

Rick Rush is our Web Master and is doing a great job of maintaining our site. Please thank Rick for his time of posting data, maintaining our distribution list, and fixing our web problems.

As I mentioned earlier the election for Board Members will be this year. There will be five members elected to the Board. The election will take place in the November-December time frame.

Hope everyone had a merry Christmas and will have a happy New Year. (I hope your team wins in their Bowl game)
