

Fellow golfers,

The Best Ever Golf Association has taken form and we are off and running to get everything in place for our 2014 golf season. I am looking forward to serve as your president of the newly formed corporation. A few things to keep you up to date:

1. We have submitted the Best Ever Golf Association Articles of Incorporation to the State of Alabama and the corporation exists.
2. We have submitted a request for non-profit status to the IRS, this is still pending. We are allowed to operate as the Best Ever Golf Association, but will receive tax and other benefits if the non-profit designation is approved. We expect this to be approved, but the process takes several weeks.
3. We have established a new bank account for the Best Ever Golf Association. We will be closing our Boeing Employees Golf Association bank account on January 15.
3. The Bylaws for the Best Ever Golf Association are being drafted. Sometime after the first of the year, the Bylaws will be presented by the board to the membership for approval. This will be your involvement in the process, please take this as an important step, review the Bylaws, and place your vote.

As a part of the establishment of the Best Ever Golf Association bank account and the closing of the Boeing Employees Golf Association bank account, **I ask that those of you still holding checks from the Boeing Employees Golf Association cash them prior to January 15.** All checks that have been written to date, which includes any that you may be holding, were written on the Boeing Employees Golf Association bank account. We need to close out the old books and get the new ones established.

I intentionally spelled out the "Best Ever" and "Boeing Employees" names in this e-mail for convenience. We will be known as BEGA as we continue down this process.

Everyone, have a Merry Christmas and Happy New Year. For those of you traveling, be safe in your travels. The year 2014 is shaping up to be a

monumental year for BEGA.

Dwight
