

BEGA and Travel'N'Golf Golfers,

Here it is, the entry form for the 2013 Perdido Key Golf Tournament November 4-10. The attachment is Excel. I have also provided the PDF in case you cannot open the Excel. If you can open the Excel, you can fill the form out on your computer, print it, and mail the form along with your check to me. If you can't open the Excel, you will have to print this e-mail, fill out the form, and mail it along with your check. Rick Rush will also put the entry form on the BEGA website. Rick, please save in other formats if possible.

On the Excel, fill out the top part of the form. Please provide the phone number you can be reached on while at Perdido Key. If there is more than one number, provide all of them. At the Reserve Room cell, provide a yes if you are staying at Sandy Key, a no if you are staying elsewhere. When you get to the tournament portion, fill out the "Total" column for the days you are playing. If you are not playing skins, fill in the golf fee number only. If you want to play in skins, add the golf fee and skins, then put the result in the "Total" cell. Any of the early days you are not playing, just leave the cell blank. For the 72 hole tournament, follow the same approach, only the skins will cost \$8 since there will be four days of play. The Excel should add up your total. All you have to do now is to write the check for the amount in the total cell, print the form out, and mail both to me.

On the PDF, it is similar except you will have to fill the form out with a pen and do the addition yourself.

If you are playing all seven days and want to enter the skins competition every day, you will pay \$474. If you are playing less than the maximum, your cost will be less than the \$474.

Please get these back to me as soon as possible. Note that we are going to try and cut down on the number of "deadbeats" this year by charging a \$10 convenience fee for those that do not pay prior to their first day of play. I will accept checks at the golf course, but after we start play you will be charged the \$10 convenience fee if you have not paid by then. As always, I will hold the checks until cashing them just prior to the tournament.

Sandy Key asks that you make your reservations as soon as you get this. They are holding the rooms for us, it would be good to let them know early that we are going to be using their rooms. Let them know that you are with Travel'N'Golf. I know some of you have already made your reservations, this is good.

I will limit this to the first 120 entrants. If we get more than this, I will start a waiting list. Please get your entries in early to ensure you get in the tournament.

Hope you are looking forward to another great time on the beach in Perdido Key this year.
