

Golfers,

Attached is a preliminary tournament package. Prior to the tournament, we will complete this package and resend it to you.

The attached package has information on our sponsors, the golf courses and banquet locations, daily competition formats, individual flights, and team flights. Each page is on a different sheet that you can select from the tabs at the bottom of the spreadsheet. It is not up to date, but nearly so.

What we need to do now is to get each golfer in the correct flights. For men, we are going to have three divisions this year. First is the regular men's flight. Any man can elect to participate in this flight no matter your age. Men will play from the regular tees, typically around 6000 yards for the tournament. Any man 62 years of age or older as of November 3, 2014 can elect to play in the senior division. Seniors will play from the next shorter tees than the Men's division plays from, typically 5500 yards. Beginning this year, we are going to have a Super Senior division. I have been all over the place on where to start this division, but we will allow men that are 75 years of age or older as of November 3, 2014 to elect to play in this division. The Super Seniors will play from the next forward tees than the Seniors division, typically 5000-5200 yards. On the Individual Flights sheet, we have taken a preliminary cut at which division each man would play from. What I need is your confirmation that what we have "guessed" is what you want to play in, given your age eligibility for these divisions. Please review and provide feedback to myself and Steve Ellzey for any changes to the division you would like to participate in. I have included Steve's e-mail as a cc so you have it handy. Please do not do a reply to all, and please do not respond if we have you correct currently. Respond only if you are requesting a change. Change requests must be made by Thursday, October 30. After October 30, no changes will be accepted.

As you make this decision, please note that your handicap will be adjusted due to the tees you will be playing from. To help you, we have included a sheet on Tee Differentials to give you an idea on how your handicap will be adjusted. If we do not get at least eight golfers to participate in the Super Seniors division, it will be scrapped and all men that elect to play in the

Super Senior division will be moved to the Senior Division.

For ladies, we do not have a senior division because you are already playing the forward tees. As always, any lady can elect to compete in the men's divisions. So far, no lady has taken me up on this offer but it still stands. If a lady elects to compete in a men's division, play will be from the appropriate tees for that division.

Dwight
