

Golfers,

Attached is the status of the entries as I have them now. Steve Ellzey is working on the pairings, rules, and other relevant information on the event and he will send out an info package prior to the tournament.

i am going to be in Seattle the next two weeks, and I will fly to Pensacola from Seattle, so beginning tomorrow morning I will not be home until after the tournament. If you need to send an entry or BEGA application in, please send to Steve Ellzey, 2500 Millwood Circle, Huntsville, AL 35803. You can also bring your entry forms and check to the tournament, but please email Steve and myself if you plan to be a late entry. We don't need any surprises when we get to Florida.

For those of you without partners, Steve will be pairing you up with as similar skilled players as possible. On Thursday night, we will have our tournament banquet at Grand Lagoon Yacht Club starting at 4:30. We tried this last year and had a great time. We will keep doing a banquet as long as we enjoy it. If you have a guest and sent in the \$20 guest fee for the banquet for each guest, you are good to go. If you are bringing a guest and did not send in \$20 for your guest, you will be charged \$24 at the door.

I look forward to seeing all of you and playing a lot of golf beginning Monday, November 2. Be safe and have a great time.

Dwight
