

Golfers,

Last Sunday we finished the 2017 Perdido Key Classic which included seven days of golf in perfect weather, five days of hospitality room, the tournament banquet, and a final blowout Sunday at the Sports Bar.

The tournament results will be posted on our website soon ([www.boeinggolf.org](http://www.boeinggolf.org)). The refunds, skins payouts, and tournament prizes are given in the attachment below. All of the courses this year were in excellent shape and challenging.

The hospitality room was enjoyed by many of the participants. Many thanks to the ladies and men that gave of their time to make this possible. Also a big thanks to Perdido Realty for donating the room at Sandy Key for our hospitality room.

The highlight of this year's event was the banquet. Elvis showed up and performed. For those of you not there, yes it really was Elvis. Thanks to Mike Root and his team for the performance. This group performs under the name of Michael Dean and Memphis and they put on shows around north Alabama. Look them up and go see them. We sold raffle tickets and gave away 32 raffle prizes this year, with the grand prize of a free tournament entry in a 2018 Travel'n'Golf tournament won by Tom Gordon. The raffle ticket sales coupled with the sponsor tee signs resulted in over \$1100 being raised for Warriors for Freedom.

The annual blowout at the Sports Bar was attended by many and we all enjoyed this one last get together before returning home and returning back to reality. The locals here like to call Perdido Key "paradise", and it truly was that every day this week.

Steve and I are giving you an option this year on what to do with your prize money. If interested, you can donate your winnings to Warriors for Freedom. If you want to do this, Steve will add your winnings to

the check he will send to Warriors for Freedom. To select this option, send Steve an email by Friday, November 10 telling him that you wish to donate your winnings to Warriors for Freedom. If Steve does not receive an email from you by Friday, he will write and mail a check to you if you have a positive balance in the attachment. Steve is cc'd on this email, you can get his email address there.

I took over Travel'n'Golf starting with the 2012 Perdido Key tournament and ran 11 Travel'n'Golf tournaments. I have had a great time doing this through the years and I really appreciate all of you that helped. As I turn over the Travel'n'Golf reigns to Mike and Linda Pline, I hope that you will give Mike and Linda the same great support that I was blessed with.

Looking forward to seeing you all at the next Travel'n'Golf event.
