

Golfers,

We are less than two months away from starting six days of outstanding golf in Scottsdale, AZ. We now have 52 players signed up, the current roster is attached. If you have not signed up but you now want to play, I need to know immediately. The golf courses have our number of players and that number is all that are guaranteed. I can still add numbers to our group, but only if the course has availability. The longer you wait to sign up, the riskier it is to be able to get in.

If you have not paid in full, I need your payment by April 1. In April, I have to pay for the golf in full, so if you don't pay there will not be money to make this payment. I like all you guys, but not sure that I am willing to float you a loan to make the payment in your behalf. Also, if you need to drop out, I need to know by April 1 also. It is going to be difficult to get our money back from the courses once payment is made, any refunds will be dependent on the course returning our money.

Thanks. Looking forward to a great time.

Dwight
