

## BEST EVER GOLF ASSOCIATION

Hello there from your Secretary / Treasurer - Stephen Ellzey

Already May - Time really flies when your golfing. just an update on some news from the first part of the year.

Our Leagues have started for Monday, Tuesday, Wednesday, and Saturday. The Wednesday League which plays at Redstone Arsenal (9-Holes) is moving to Tuesday due to the congestion on Wednesday (4 different leagues trying to play). All our league Presidents are doing an outstanding job. Please let them know.

Our new Tournament Director (Linda Brooks) has jumped right in and has some great tournaments planned. (see the tournament web page for a list of upcoming Tournaments). The first two tournaments had between 55-60 members signed up to play, However Cherokee Ridge was rained out. The next tournament is at Blackberry Trail on May 25. Don't forget to signup for this one.

Travel'n Golf kicked off the year with the Spring Tournament to Mesquite, NV. Mike and Linda did a superb job. Great Tournament, Great courses, Great weather, great fun and lots of gambling. A shout out to Carolyn Helton for winning \$500 in a drawing from the casino on the last night. (Don't tell Grandville) Hope to see everyone signed up for Perdido Bay (Oct.28 - Nov. 3) Pictures are on BEGA Facebook.

From the Association, we have 200 members signed up for this year. Way to go.

I have been working on getting some polo shirts with the BEGA logo on them. I have provided the info for them to Rick to put up on our web site. (Next 1-2 weeks) Shirt type, sizes and cost. Once on the web, I'll send another email to see who's interested. If

anyone has logos for Travel'n Golf or Senior Golf please send to me.

Thanks for listening.
