

Welcome Golfers!

As most of you know we are returning to St. Augustine, Florida for a fun filled week of golf. Six days of golf that includes two days at the World Golf Village golf courses, two days at the LPGA golf courses near Daytona Beach, and two days at Hammock Beach Resort playing two spectacular courses. We will be sending out additional emails with the links to the golf courses, Hammock Beach Resort, and other sites of interest. We have been told the World Golf Village will provide 50% passes to the Golf Hall of Fame in St. Augustine. This year all of the golf is scheduled for morning shotguns which should allow time in the afternoons to visit beautiful St. Augustine, Daytona, and enjoy the resort at Hammock Beach.

The phone number for the lodging at Hammock Beach is on the entry form. The per night pricing is \$217.29 per night in a Main Tower Ocean View One Bedroom Suite or \$342.17 per night in a Main Tower Three Bedroom Ocean View Suite. These are out the door costs. There are two bedroom villas at the resort that sit on the back of the property.
