

Hello BEGA Travel Golfers,

We have a few notes prior to your arrival.

Please review the [BEGA Travel'ngolf webpage](#) for the latest updates but especially on Tee Sheets, teams, formats, rules and App installation. We want to extend a big shout out to Rick Rush and Steve Ellzey for updating the website and preparing the tournament workbooks. They have put in tremendous amounts of time behind the scenes which made our job easier. So, Thank you!

### **NEW MEMBERS**

We have a few new members this year. Be sure to introduce yourself and welcome them and their spouses / partners to the event.

### **PATRIOT DAY**

Wear red, white or blue on **Thursday** to show our support of our veterans.

### **HOSPITALITY RM- SANDY KEY RM 128**

Sandy Key Gate Code is #1121. We are offering before dinner drinks and light snacks Monday - Saturday from 3-5pm. Bring your lawn chair and visit with members and / or spouses. We had to cancel beer pong chipping activities due to limited space at Sandy Key.

### **SUNDAY POST GAME SOCIAL**

### **SCORE KEEPING**

All scores will be put into the BEGA portal and you must have the app downloaded on a smartphone. Rick Rush has provided the following information for the Golf Software app installation process. You can also find this information on the BEGA Travel'ngolf webpage.

\*Installing the [Golfsoftware.com](#) App on your smartphone If you

currently do not have the app loaded on your smartphone, from your phone go to <https://bestever.golfclub.net/cm/web/site/page.html?clubId=05367>

At the bottom of the page under Resources use the link for either Android or Apple depending on what phone you use. Once the app is installed, go to settings (accessed from the top right of the app) and add [bestever.golfclub.net](https://bestever.golfclub.net) in the organization's website entry. You can then sign in and will be ready to access all the functionality of the app. The app must be loaded **before** you come to the tournament.

If you have any questions,  
Please contact either of us and we will try to help.
