

Welcome golfers,

We are just under a month until the start of the 2021 Perdido Golf outing and it is time to start getting excited about playing some great courses and reconnecting with friends from around the country. You can see the lineup of golf courses over the 7 days from November 1st to November 7th on the [BEGA website](#).

SIGN UP

We have had tremendous interest this year and have around 80 golfers signed up for the Perdido 4-day tournament. If you have been on the bubble thinking about attending this tournament, we would be glad to have more golfers sign up. We are still waiting on a few checks so if you haven't submitted your Entry Form and payment, do so immediately to reserve your spot. **HEADS UP:** If you have already paid, your checks will be deposited on **Friday, September 24th**.

If you are one of those on the bubble, you will need to complete the [Entry Form](#) and mail to Mike Pline, then sign up in the [BEGA Portal](#). The original deadline for payment for the 2021 Perdido Golf event was September 15th but we are extending until September 30th at which time we will cut off entry to finalize the teams.

If you did not provide us a partner for the tournament, no worries, we will pair you with someone.

PAYOUTS

Besides playing tournament golf at some of the south's finest courses, you will have several options to win a little cash and of course bragging rights 😊.

- Win or place in your flight, individual or team accordingly
- Skins
- Closest to the Pins on the par 3's
- 5 Raffle drawing. Each valued at \$100 off of the 2022 Perdido tournament fees.

ACTIVITIES

As you are aware, many local businesses were hit economically by both covid

and Hurricane Sally. We decided to eliminate fundraising and the banquet from the fall activity schedule.

If you want to contribute to Folds of Honor or Warriors for Freedom, you can do that in a couple of ways.

- Donate your prize winnings to either Charity. Steve will submit to the organization on behalf of BEGA.
- Write a personal check to either Charity. Steve will submit your check along with BEGA's donation.

Bring your folding chairs and masks (if you would feel more comfortable) and join us for pre-dinner drinks at Sandy Key. Place: Sandy Key Rm 128. Monday thru Saturday from 3pm until 5pm. It is a great place to see beautiful beach sunsets and enjoy socializing with non-golfers and other members.

Beer Pong Boards will be outside the hospitality room for those that want the challenge others on a little chipping game.

Sunday Happy Hour location is still in work. We will finalize the details and communicate during the tournament.

The Blue Angels will be flying that week, and the song writers' music fest will be going on, the beach, hospitality room, and great restaurants await us. So, pack your golf clubs, folding chairs, fishing poles and all other golf / beach related items and get ready to have some outdoor fun in Perdido!

Mike & Linda Pline
