

## St. Augustine 2022

We have had quite a bit on interest in going back to St. Augustine, so here we go. The dates for the BEGA Travel'n'golf Spring Tournament in St. Augustine are May 7<sup>th</sup> thru May 12th.

Why St. Augustine? Aside from the awesome temperatures, gorgeous beaches and resort property, and top of the line golf courses, St. Augustine has so much to see. We are including a St. Augustine featured events link to for you to review. [Visit St. Augustine](#)

### **BEGA MEMBERSHIP**

All active BEGA members are invited to travel with us for this tournament. If you have a guest that wants to travel, he / she must complete the [new membership form](#) and submit to Steve Ellzey prior to travel. Additionally, we will be using the BEGA portal for scoring purposes. All travelers must have the BEGA PORTAL APP downloaded prior to the event.

For more information on new memberships and the BEGA Portal, visit the [BEGA New Member Help](#) link.

### **GOLF COURSES**

We have lined up two exciting days at the LPGA International courses near Daytona, two days at World Golf Village, and two days at Hammock Beach. If you traveled with us in 2018, you know this is a great line up. Links to the golf courses are on the [BEGA website](#). We will be playing skins and closest to the pin each day in addition to the tournament formats.

We have planned shotgun starts early in the morning so everyone can have a chance to check out the sites. *The one exception is Wednesday at the Conservatory with a 12:30 p.m. start.* It is near the resort so you can sleep in that morning and have coffee and sit out on the beach.

## ENTRY FORM

The [ENTRY FORM](#) can be found on the BEGA Website. Please print, complete and mail no later than **March 20, 2022**. Final golf payments are due by **April 10, 2022**. Mail the entry form to Mike Pline, 2315 Lockerby Dr. SW, Decatur, Al. 35603.

## LODGING

While we have negotiated discounted rates at the beautiful [Hammock Beach Resort](#). Lodging at Hammock Beach is not a requirement to play in this tournament. All travelers are responsible for reserving their own lodging.

We expect that many golfers will share condos as many did the last time we visited there. The three bedrooms have three to three and half baths and will be the best price for those who share. If you have stayed here before and want the same condo, ask reservations to check your history to see if that condo is available. Please look at [RESORT MAP](#) prior to calling for your reservation to allow you to better understand the various types of rentals available.

All room reservation will be on a first come first serve basis. There is no guarantee on how many condos will be available. **So do not delay in getting your condo reserved.**
