

Wow! The interest in the spring trip to St. Augustine is coming in nicely!

I have had a few calls about lodging. We are still working on specific reservation details with Hammock Beach.

Please be patient as we finalize the details and get more information to you. **Do not** call Hammock Beach until you see an email from me regarding "**how to reserve**". There will be specific instructions to follow.

We are hoping to get the detailed email and entry form out soon.

Again, if you have an interest in playing, please let me know.

Linda
