

All and all, we had six great days of golf in the St. Augustine area. Hammock Beach Resort is one of a kind and you can take pictures from any angle and get great shots. The courses were almost perfect and in great shape for play.

Everyone that attended the Loggerhead social said that they enjoyed it very much. We heard a few stories about some visiting the Golf Hall of Fame and really enjoyed it. It was great to see golfers and spouses and to catch up on what is happening in your lives.

These trips are more than golf. We meet new people, visit with old friends. Share stories of life and golf shots. They make us smile, swear, and occasionally drink from a birdie flask together. Simply put, they bring a smile to our face and will hold memories in our hearts for years to come.

Please make your plans to join us in Perdido! We would love to see you there!

Thanks,  
Mike and Linda
