

This year Travel'n'Golf will be going through a transition period as Mike and Linda Pline are stepping down from what we had hoped would be a lifetime appointment. They did a great job organizing these always fun events. Thanks Mike and Linda!

The BEGA Board has agreed to take over responsibility for 2023 as a team effort. Because of our late start we will not have a spring event this year but our yearly Perdido Key event is already in motion. Linda and Mike have locked down the four tournament days and the three early bird days are being scheduled and will be announced in the coming weeks. Tournament announcements should be coming out in the summer but you can go ahead and put a “**save the date**” on your calendars for **Oct 30 – Nov 5**.
