

Here is the information you've all been waiting for. The warm up days have been booked and entry form updated and attached.

Since most of our golfing venues are closer to the Gulf Shores/ Foley area, we are doing something different with housing. The Hospitality room this year will utilize the meeting room in Phoenix I. Brett/Robinson manages the majority of the rentals for Phoenix I-IV and has setup a group discount code for us of 15%. My recommendation would be to utilize their web site and find the unit in Phoenix I-IV that you would be interested in and then call them per the instructions attached to get the discount.

I have updated the registration form with electronic payment information. You can use check/mail, Venmo or Zelle to pay the registration fees.

For those interested, the format for Kiva Dunes is computer generated 4 person teams, each with an A, B, C and D player based on handicap index. Then the computer will calculate a best ball net score for the A and C player and add that to the best ball net score for the B and D player for a team score.
