

Hello Golfers,

I have been exploring a spring trip to the Sevierville, Tn area. I am looking at the 1st week in May. Arrive on Sunday May 3 and play 4days of golf May 4-7. The courses would include the two courses at Sevierville Golf Club,

Gatlinburg Golf Club and either Island Point or Patriot Hills. The prices for the golf should average around \$80 + a

prize fund add on.

I have found some fabulous cabin accommodations at Oak Haven Resort. Please go to their website to view the cabins: www.oakhavenresort.com. I have a listed below the cabins that are available during this time period along

with the prices. If we share cabins with at least one other couple the prices are not that bad. There are also 4 and

6 bedroom cabins that would be even more economical.

Now I need your help in order to negotiate with the courses. I need to know if you are a firm commit to go on the

trip and to play 4 days. Each person will be responsible for coordinating with other golfers and making their own

cabin or other lodging reservations.

As you know Sevierville/Gatlinburg has all kind of restaurants, shopping and other activities available to visitors. I

do not think you will get bored!

The most important thing for right now is to let me know if you plan to go. Sorry you will have a short deadline on

this, so let me know by Friday, February 20th.

Thanks,

Linda Brooks
