

Handicap Management

BEGA members will maintain their handicaps in either the BEGA or GHIN handicap systems.

For all BEGA events (Monday League, Tuesday Senior League, Saturday League, Monthly Tournaments and Travel'n'Golf): For members using the BEGA handicap system, the League President or Tournament Director will enter your score into the BEGA Handicap manager. **Members who use GHIN are responsible for entering their scores into GHIN manually.**

For members playing in non-BEGA events, the member should manually submit those scores into either the BEGA or GHIN systems.
