Eagle: +8

Birdie: +4

Par: +2

Bogey: 0

Double Bogey: -2

Triple Bogey: -4

Flights/Handicaps:

Two+ flights with equal number of players, based on handicap, will be used. Three flights maybe used if the membership goes over 20 players.

Initial handicaps will first be drawn from last year's League database, or if not available, then the BEGA or GHIN HC system (or any other equivalent system).

If no HC is available then a default value of 18 will be used (the league's HC software will make weekly adjustments).

Weekly Scores\Standings:

The league president will enter the weekly scores into the league manager database that tracks points, putts, and adjusted HCs.

The league president will send out weekly reports showing scoring information, HCs (used only for the Wednesday league) for next week, and golf ball \ person prize totals.

All players are responsible for entering their scores into the BEGA or GHIN HC system (see BEGA website). These HCs are used for league tournaments.

The composition of the two flights will be re-determined after the first 4 weeks if any of the players who received a default HC show a dramatic improvement in play (i.e., new HC < worst player in A-flight).

Tees:

All males under 62 years will use the white tees.

All males 62 or older may use the gold tees.

If any male wishes to use the next higher tees (blue\white) then notify the league president so that their handicap can be adjusted up.

All females will use the red tees.

If any female wishes to use the white\blue tees then notify the league president so that their handicap can be adjusted up.

Weekly Prizes\Flight:

Most points (per flight) - 1 golf ball (including ties)

Fewest putts (per flight) - 1 golf ball (including ties)

Putts are only counted towards total if ball starts on the green.

Session Points Champions:

The top two points winners from each flight, sessions 1 - 3, will play in the Wednesday league championship tournament.

Each flight will send at least two players to the Wednesday league championship. The top two points winners will be included unless there is a tie for 2nd place in any flight. In the case of a tie for second place then all players included in the tie will advance to the Wednesday league championship.

If there is a tie for 1st place in any flight, there is no 2nd place winner.

The session champions for most points and fewest putts will receive golf related prizes.

League Champion

The league champion is determined in an 18-hole playoff using the modified Stableford format.

The course selected for the play-off will be voted on by the participants.

The winner, the runner-up and low putts will receive golf related prizes.

The runner-up is the player with the best score from the other flight (not the winner's flight).

The winner will represent the Wednesday League in the BEGA Championship, and will have their green-fees paid for by BEGA.

Miscellaneous League Rules:

Number of holes per round: -9

Maximum number of rounds accepted\session: 10 (8 in the 3rd session)

Maximum number of rounds dropped: 3

Make-up rounds: Must be played before the beginning of the next session

The make-up round can be played on any of the three courses. Points and putts from make-up rounds do not count towards weekly golf ball prizes.

If an entire week is cancelled by the golf course, due to inclement weather, then the current session will be extended. An equal amount of time will be extracted from the third session, so that we finish league play by the currently scheduled end of the third session.

BEGA-Redstone Golf League Rules

Look for red-stakes, which are lateral hazards – two club length drop and no closer to hole or an improvement to line-of-sight.

Root and rock rules apply: if your ball is on a rock or root you may drop it within one club length.

USGA and course rules apply.

NO GIMMIE PUTTS AND MULLIGANS! All players must putt out.
